***Quartier Stuff:**

The Quartier Stuff is a pilot project begun by the Kirchberg Fund with the aim of bringing to the fore the nearness, interaction, and participation of citizens. The importance of conversation and the social contact embodied by a “Stuff,” a crucial part of Luxembourgish life, are now more relevant than ever. Having its present home in the Grünewald District, the Quartier Stuff is, in the long term, a project, which can be moved to other districts on the Kirchberg.
