## OPEN CALL FOR APPLICATION

### WHAT IS MODEL ASEM?

[Model ASEM](#) is a 3-day youth conference and a political simulation exercise of the actual [Asia-Europe Meeting \(ASEM\) Summit](#). It is primarily aimed at strengthening the sustainable platform for university students to engage with the [ASEM process](#) and to create direct interactions with the ASEM Leaders.

---

### WHAT IS A SPIN-OFF?

While the main Model ASEM is organised by the Asia-Europe Foundation (ASEF) alongside the actual ASEM Summit every two years alternating between Asia and Europe, the Model ASEM spin-off editions are organised by students or institutions locally to capture the enthusiasm of the youth's interest in Asia-Europe collaboration at a broader level.

To build up the momentum for the [7th Model ASEM](#) conference in July 2016, in Ulaanbaatar, Mongolia, several spin-off editions are planned throughout 2016 across Asia and Europe in France, Viet Nam and the Philippines.

---
